Service charges consultation

Dudley Metropolitan Borough Council sent this bulletin at 14-10-2024 02:00 PM BST

Services charges consultation

Earlier this year, plans to bring in service charges for tenants were approved by the council.

Before we can introduce those charges, we would like to consult with you to get your views on the changes we are making.

We're launching a consultation today, which will run for four weeks until November 11.

All tenants will also soon receive information in the post about the consultation.

You can [respond to the consultation online](#) and we will be carrying out a number of public sessions.

If you're in need of housing advice and support, please get in touch with us as soon as possible.
